

Phase II Study

West Shore  
Light Rail

## COMMUNITY OUTREACH

Staten Island Economic Development Corporation will be presenting the West Shore Light Rail (WSLR) Study at all three Community Board meetings on Staten Island.

These presentations will show how the West Shore Light Rail can provide improved travel within Staten Island as well as to Hudson County and Manhattan.

Study elements including the proposed route, candidate station locations, service plans and ridership projections, and costs and environmental concerns

### JOIN US AT ONE OF THE COMMUNITY BOARD MEETINGS LISTED BELOW & SHARE YOUR THOUGHTS ON THE WSLR!
